ZILBER PROPERTY GROUP

Zilber Property Group Announces Express Employment Professionals at Airport Executive Office Building

For Immediate Release

July 19, 2011

Zilber Property GroupSM is pleased to announce that Express Employment Professionals has leased office space at Airport Executive Office Building, located at 4915 S. Howell Avenue in Milwaukee.

Express Employment Professionals is a staffing agency that provides full time and temporary job placement, human resources services and consulting. They have leased 2,471 square feet of office space expanding their reach further into the Milwaukee market. Additionally, by having a location with proximity to the airport, they are able to better serve their growing airport area clientele.

Express Employment Professionals was represented by Jack Quinlevan of Quinlevan Commercial Real Estate.

About Express Employment Professionals

Established in 1983, Express Employment Professionals has grown to include a network of more than 550 employment agencies. They are dedicated to providing quality staffing services and human resource solutions to medium-sized businesses around the globe from each of their locally owned and operated staffing firms.

About Zilber Property GroupSM
